## Yeovil Refresh – Notification of public realm improvement works

Dear Occupant,

We are writing to inform you that from 18<sup>th</sup> October 2021 SWH will be commencing public realm improvement works on Wine Street and The Triangle (Bandstand) on behalf of South Somerset District Council.

### Wine Street

The works on Wine Street will make the pedestrianisation of the street permanent with new paving, drainage works and general freshening up of the environment. We anticipate that the works on Wine Street will be completed at Christmas 2021.

### The Triangle

Works on the Triangle are anticipated to commence in November 2021. These works will enhance this focal area within the town, creating a more attractive leisure and business space.

Key changes include:

- The creation of amphitheatre seating overlooking a new raised stage area, providing the perfect opportunity for taking a break from shopping and enjoying local entertainment.
- The installation of a new focal water feature, providing a modern fresh feel and relaxing space to enjoy.
- The installation of a large screen to be used to show key events and information.
- The laying of natural stone paving and ornamental planting, tidying up the area and creating a greener space.

Works on the Triangle are anticipated to be completed by Autumn 2022.

These works are being delivered as part of the wider Yeovil Refresh Project which aims to enhance your local area and transform Yeovil town centre into a vibrant place to live, work, shop, learn and visit. To find out more about Yeovil Refresh please visit

[www.yeovilrefresh.co.uk](http://www.yeovilrefresh.co.uk)

## What's happening first

In advance of starting our works on Wine Street, SWH's team will be undertaking pre-works to prepare the area. These will include creating a site compound at The Box Factory car park on South Street, undertaking surveys and starting to clear the sites.

## Business as usual: Local shops and businesses

Please don't worry we will be ensuring safe access is maintained to all local shops and businesses throughout the works. In collaboration with South Somerset District Council we will soon be contacting all businesses within the works area to discuss our planned schedule of works and put measures in place to ensure the absolute minimum disruption.

## Where to find out more

For those who are interested in the project, we'll be sharing how we're getting on and providing regular updates on:

- Our on-site notice boards
- The 'Latest News' section of the Yeovil Refresh website: [www.yeovilrefresh.co.uk/latestnews](http://www.yeovilrefresh.co.uk/latestnews)
- Via our e-newsletter – If you would like to receive updates by email, please sign up for our 'Wine Street & Triangle' e-updates by emailing [yeovil@swhltd.co.uk](mailto:yeovil@swhltd.co.uk).
- Via our site representative, who shall be front of house in the former Jessops store, from November onwards.

## Community projects

In addition to delivering the scheme, our friendly teams would love to do a bit more to help Yeovil's local communities whilst we're working in the town - if you have any suggestions for community projects you think we might be able to support whilst we're here, please email these to [yeovil@swhltd.co.uk](mailto:yeovil@swhltd.co.uk).

## Any questions?

If you have any questions about the works, please email. [yeovil@swhltd.co.uk](mailto:yeovil@swhltd.co.uk).

Yours faithfully,

Sheldon Roberts
